

Discover North-Central Alabama

Brief Description

This patch was created to show members of Girl Scouts of North-Central Alabama all of the many different educational, cultural, service-oriented, and fun opportunities available to explore in the 36-county Council area.

Pre-Visit Activity

All levels need to complete the Word Search Puzzle and the Help Wanted pages.

For Daisies and Brownies: Complete the Alabama map page.

For Brownies: Complete Place to Place, What a Waste, and Towering Trees pages.

For Juniors: Complete Place to Place, What a Waste, Towering Trees, and Land of Plenty pages.

For Cadettes: Complete Place to Place, What a Waste, Towering Trees, and Land of Plenty pages.

For Seniors and Ambassadors: Complete Place to Place, What a Waste, Towering Trees, and Land of Plenty pages.

For Seniors and Ambassadors: Research two colleges in North-Central Alabama that you might want to attend to see if they have courses in the area of your career choice. Find out the qualifications for acceptance. Ask whether earning the Bronze, Silver, or Gold Award might increase your chances of being accepted.

Outcomes of the Program

1. Scouts will gain a better understanding about the geological processes that created Russell Cave.
2. Scouts will gain a better understanding about the Southeastern People that inhabited Russell Cave.
